

Planned Parenthood Helps Win New Sexual Education Policy For Broward County Schools

For Immediate Release: May 22, 2014

BROWARD COUNTY – Today, the School Board of Broward County voted unanimously to adopt a new, comprehensive sexual health education policy that is medically accurate and developmentally-appropriate.

"This vote is the culmination of nearly two years of work by the Broward County School Board with the assistance of Planned Parenthood, medical professionals, concerned youth and parents, and community organizations," said Cory Neering, Vice President of Education for Planned Parenthood of South Florida and the Treasure Coast. "The Family Life and Human Sexuality policy ensures all students receive the same level of education as their counterparts in other parts of the country, education that truly works to stem the high tide of HIV and AIDS in our community."
